The Cheapest and Best Family and General Newspaper in the United States.

The NEW YORK WEEKLY TIMES is a large and elegantly printed quarto sheet, of eight pages, or forty-eight columns—devoted to Politics, Literature and General News, and intended to be the BEST as well as the CHEAPEST FAMILY NEWSPAPER in the United States. The first aim of the TIMES is, and will always be, to keep its readers thoroughly and reliably posted up, as to everything which may happen, of general interest, in any part of the world. It comments fully and freely upon all topics of importance in every department of public action, and always in the interest of Freedom, Order, and the Public Good. While its influence will be uniformly conservative, it advocates every measure of just and beneficial progress, and resists the increase of slavery, or perpetration of Slavery, as of everything else incompatible with the highest welfare of the whole community. While it reports promptly and accurately all intelligence of general interest in every department of human activity, it never panders to vicious tastes, and excludes from its columns everything that might render it unsuitable or improper for general family perusal. It seeks to promote the general welfare by urging the claims of

EDUCATION, MORALITY AND RELIGION
upon the masses of the people; and in all its discussions it endeavors constantly to be guided and controlled by the spirit of
MODERATION, PATRIOTISM, AND COMMON SENSE.
In its correspondence, both Foreign and Domestic, the TIMES is confessed to be superior to any other American Journal. Its Reports on Congressional and Legislative proceedings, of Financial, Commercial and GENERAL INTELLIGENCE, of important Legal and Criminal trials, and of whatever may have special interest for the great body of the community, are full, prompt and reliable. Especial attention is devoted to full, accurate and trustworthy reports of the

"USE THE BEST"

MRS. WILSON'S
HAIR REGENERATOR.

The Regenerator is put up in two sizes, and retails for 50 cents for pint bottles, and \$1 for quart bottles. The quart bottles are much the cheapest.

Who wants a Good Head of Hair? Use Mrs. Wilson's Hair Regenerator and Hair Dressing.

Please read a few certificates from the following reliable and well known people.
Messrs. HENRY P. WILSON & Co., My wife is now using your Regenerator for the hair, and pronounces it far superior to anything she ever used for the hair. It is easily applied, does not soil in the least—has no disagreeable odor, increases the growth of the hair, prevents it falling off, and often cures the head. I forward you this certificate unsolicited, because I think an article that will do what your Hair Regenerator will, should be widely known. I think it is the best article for the hair now in use.
Rev. J. C. STEVENSON, Newburyport, Ms.
"I like the Hair Regenerator, and Dressing very much."
Rev. Geo. W. Woodbury, Hartford, Ct.
"Unhesitatingly pronounce it an invaluable article from the effect on my own hair."
S. A. HILL, wife of Rev. Henry Hill, Manchester, N. H.
"It rendered my hair soft and glossy."
Miss FARRAR, Saratoga Springs, N. Y.
"I feel confident that it operates not as a dye, but to restore the roots to their natural healthy state."
Rev. E. M. KELLON, Nashua, N. H.
"I most cheerfully recommend it to all persons."
Rev. C. RUSSELL, Lowell, N. H.
Messrs. HENRY P. WILSON & Co.: I have no hesitation in saying, in my opinion, Mrs. Wilson's Hair Regenerator and Hair Dressing are the best hair preparations now in use. I shall continue to use them with pleasure.
Rev. H. H. HARTWELL, Lawrence, Mass.

November.
Messrs. HENRY P. WILSON & Co.: I have used your Hair Regenerator and Hair Dressing, and have received great benefit from them. I deem the articles worthy of high commendation, and cheerfully recommend them to all who want to restore gray hair to its original color, or to any who are troubled with dandruff, or a disagreeable itching of the head, or humors, or to those whose hair is falling from the head.
Rev. G. W. H. CLARK, Great Falls, N. H.
Messrs. HENRY P. WILSON & Co.: I deem Mrs. Wilson's Hair Regenerator and Hair Dressing the standard articles of all hair preparations. I have, in many instances, known them to restore the hair where it had fallen off, remove dandruff, restore the hair to its original color, cure entirely the most painful headaches—and in some instances most serious humors. Personally, I have been a sharer in several of these benefits.
Rev. HENRY HILL, Manchester, N. H.

MRS. WILSON'S
COCOA-NUT OIL
HAIR DRESSING.

Mrs. Wilson's Hair Dressing is put up in large bottles, and retails for 37 cts. per bottle, and for dressing the hair of any person, young or old, there is not its equal in the world. It will make the hair everything you wish it to be, and moreover, it has a perfume that is infinitely superior to any of the fashionable extracts, either foreign or American, which alone should entitle it to a place on every lady's toilet table.

Use the Regenerator before retiring at night, and in the morning apply a little of the Dressing, and your hair will be even more lifelike in color and beauty. Use nothing on your hair but these preparations, and use these according to directions, and we warrant you a good healthy head of hair.

Great Remedy for Coughs, Colds and Kidney Difficulties.

WHITE PINE COMPOUND,
PREPARED BY
DR. J. W. POLAND & CO.
GOLDSTOWN CENTRE, N. H.

FIVE following testimonials will tell something about the Medicine which has been so popular faster than any other article sold by druggists—
Rev. J. K. Chase, of Rumney, N. H., under date of April 4th, 1860 says:—"When your favor, in a bottle of White Pine Compound, was received, I was suffering from a most severe cold. I took the Compound, and was able to preach in two days. I believe the Compound is an invaluable medicine. I do wish thousands who know nothing of its virtues, would become better acquainted with it."
Rev. L. C. Stevens, Pastor of the Baptist Church at Goldstown Centre, in a letter dated Feb. 1860, says:—"Some of my family have tried it, (the Compound,) with signal success. I believe it to be one of the best of all remedies ever prepared. Besides its value as a Cough medicine, I have good reason to believe it to be all it claims to be for Kidney Diseases and Diabetes."

Mr. Asa Goodhue, of Bow, N. H., was prostrated by Diabetes, in March, 1858, that neither himself nor any of his family thought that he could possibly live through the month. As a last resort, he thought he would try the White Pine Compound. They procured a bottle for him; he began to take it and to the surprise of all, in immediately showed signs of amendment. Eleven months afterwards (Feb. 25, 1859) he is in full possession of his faculties. "I believe Dr. Poland's White Pine Compound, under God, has been the means of my recovery."

hundreds of cases of Kidney complaints, cured successfully by taking the White Pine Compound, have been reported by druggists. Here are two samples:
An aged man in Danvers, Mass., heard of the Compound, as a wonderful curative for Kidney complaints, being a great sufferer from that difficulty, he sent to the Apothecary for a bottle. He took the Compound, and in a few days he was able to walk. He has since sold a good many bottles himself.

The second case was that of a business man, in Salem, Mass., he was also cured of the same complaint. Afterwards he went to Minnesota, and in the course of his journey brought on a return of his former difficulty, and seeking in vain in Minnesota for the Compound, he was compelled to send all the way to Salem, to have it forwarded by express.

July 1st, 1860, Dr. Poland—Mr. J. C. Butterfield, Jr., who is a druggist, has requested me to give a brief statement of what your White Pine Compound has done for me. I had been afflicted with the Kidney Complaint for a long time, and had a hard cough, and a constant starting, which did not seem to get better frequently. No one of my acquaintances expected that I should ever get my health again. But I tried this of your White Pine Compound, and before I had taken a bottle of the Compound, the Kidney Complaint was cured. I would also state, that a lady, a neighbor of mine, was so badly afflicted with a cough, that she could not sleep long enough to have her bed made, and we all thought she was going to a quick consumption. She took only one bottle of your Compound, and it cured her. She is just as well now as she ever was. Sincerely, J. C. BUTTERFIELD, JR.

"Dr. Poland—I wish to bear my testimony to the value of your White Pine Compound. You will remember how feeble I was at the time I called upon you, in July last. My chief complaint was a severe attack of the Kidney. In addition to other disagreeable symptoms, I suffered dreadfully from severe pain. You sold me a bottle of the White Pine Compound, and before I had taken two thirds of the contents of that one bottle, my pain had left me. Though I had been afflicted with that complaint a long time, I have not had a return of it since, and have for many months past enjoyed excellent health. Yours truly, G. E. ALLEN.
